

🎁 Digital Coverage 🎁

Professional coverage includes unlimited, full-color digital images that can be converted to black and white, flawlessly. A balanced mixture of traditional portraits and photojournalistic candid are captured to complete the day's moments and details. You get all original 4x6 prints presented in a Proof Album(s), along with photo CDs with images to match your Proof Albums, 2 parent CD's, additional enlargements, and online proofing to share with friends and relatives. You also get to make as many reprints as you like. Your wedding photos are archived with the photographer for life, so if you misplace your CDs, just contact your photographer for replacements.
