Only the terms as written herein are binding upon the parties. Michelle Lee Photography (The Studio) is not bound until the required retainer of 1/3 of the balance is received. Upon receipt of the retainer, the photographer shall reserve the time and date agreed upon, and will not make other reservations for that time and date. For this reason, all retainers are non-refundable, unless the Studio is able to fully replace the cancelled reservation for that date. The remaining balance is due 10 days before the wedding date. No part of any order may be delivered until the balance is paid in full, including any charges resulting from overtime coverage on the day of the wedding. Any additional orders placed after the event are payable at the time of the order.

Unless noted above, all negatives, digital images, and copyrights remain the property of the Studio. Permission is herewith given to the Studio to use reproductions of any of the images taken in connection with the event or sessions listed above for display, publication, competition, advertising, or online purposes. While every reasonable effort will be made to produce and deliver quality photographs, the Studio's entire liability to the clients for any claim or loss arising from the photographer's performance or defects in materials, developments or delivery of photographs is limited to a refund to the clients of the amount paid for services, and the undersigned agrees to waive any claims of negligence, breach of warranty or contract, mental harm or distress. Because a wedding is an uncontrolled event, the Studio cannot guarantee delivery of any specifically requested image(s). The Studio reserves the right to edit, modify, manipulate or crop images prior to presentation. If for any reason Michelle Lee Ghione is unable to photograph your wedding, an equally qualified photographer will be chosen by the Studio.

The prices in place at the time this contract is signed are guaranteed for 90 days after the wedding date. After 90 days, current wedding prices will apply to all orders. Should the selection of images for pre-ordered albums not be received from the client within 6 months of the wedding date, the client agrees to accept the Studio's selection and arrangement of the final images in the album(s).
